Our friends at the Miracle League passed along information about a great fundraiser that is easy for everyone. Here is the message:

The Miracle League is happy to announce a Dining Out program that will run each Tuesday through the month of October. Each of the restaurants named on the attached flyer will donate 20% of your bill to the Miracle League each time you eat in or take out from their restaurant on Tuesdays in October.

Tuesday's are busy at our house trying to get dinner. What better way to help a great cause than to order some takeout from one of the businesses above and get the kids to practice on time!
